We Are a Team

We offer everything from standalone activations and themed collaborations to full event production.

We play well with others.

We enjoy established working relationships with the top performing, creative, and technical artists across Canada.

We offer creative expertise based on over 10 years of experience.

We are honest.

We are reliable.

We are kind.

We love what we do.

We work our butts off to make the magic look easy.

We put over 10 hours of preparation into every hour we perform.

We can (and do) perform 4 - 6 hours at a time with minimal breaks.

Our performances are designed to be portable as well as spectacular.

We have superpowers.

Our Difference
